CHAIRMAN'S INFORMATION REQUEST NO. 4**

First-Class Mail

2. Regarding the CY 2022 Personalized Color Transpromo promotion, the Postal Service states that “[f]or companies/mail owners who have not previously participated in the promotion, only the dynamic color messaging requirement must be satisfied in their first year of participation.” Notice, Attachment D at 6. Attachment D does not appear to list any requirements beyond the dynamic color messaging requirement for mailers who have participated previously. See *id.* In Attachment A, the description for the CY 2022 Personalized Color Transpromo promotion states that “in mailpieces sent by a prior year’s participant[,] the color messaging *may be required* to be personalized to the recipient.” See, e.g., Notice, Attachment A at 19 (emphasis added).
 - a. Please clarify whether the CY 2022 Personalized Color Transpromo promotion has differing requirements for new and prior year participants. If there are differences in eligibility between new and prior year participants, please explain in detail what those differences are.
 - b. Please revise Attachment A and Attachment D as necessary and provide the revised pages to clarify this promotion’s CY 2022 requirements.

RESPONSE:

- a. As in years past, the Postal Service is not requiring that new participants personalize their mailpieces, while it is requiring that prior year participants personalize their mailpieces (with limited exceptions for mailpieces focused on sales-related content, given that personalization in such circumstances may not be possible). Importantly, prior year participants were not required to personalize their messaging in their first year of participation, and this year’s new participants will be required to personalize their messaging in subsequent years, so all participants are effectively being treated the same.

**RESPONSE OF THE UNITED STATES POSTAL SERVICE TO
CHAIRMAN'S INFORMATION REQUEST NO. 4**

The Postal Service exempts new participants from the personalization requirement in order to make it easier for them to shoulder the upfront technology investment required to participate in the promotion. Prior year participants have already made this investment (and already received the exemption to encourage their making the investment), so the exemption is no longer necessary to encourage their participation.

- b. Please see Attachments 1 and 2 for revised versions of Attachments A and D to the Postal Service's Notice.
